### Harrell Will Manage Paris Club.

Manager Joe Lewis, of the Paris club, was last night given his unconditional release by the Paris club and Danny Harrell, who played with the pennant winners last season was appointed as his successor. Pete Wood, of the pitching staff of the Bourbonites, was also given his release along with Lewis.

Today Harrell will assume the management of the local aggregation and will pilot them on their trip to Frankfort, where the Paris team will play its first game under the new leader. The present season is the second year Harrell has been on the Bourbonite roster, last season playing at short with the local aggregation and his work in this position was prominent in many a battle in which the Bourbonites participated. He is well-known throughout the circuit as one of the hardest and most consistent ball players in the league, a fast fielder and a most reliable hitter.

The effort of Lewis has been anything but satisfactory to the local management and fans, and the listless spirit which he has displayed in the past few games prompted the action which resulted in his release. Since Woods has been with Paris he has showed poor form and in the contests in which he has participated he did not come up to expectations.

The Paris management will strengthen the pitching staff and improve in other departments with a view of giving Paris a team which will be second to none on the circuit and one that will be put in the running when the season closes. With Harrell at the helm, and with his superior knowledge of the game, the dreams of a third pennant should be realized.

### Frankfort Chosen for Next Meet- ing.

The Kentucky State Association of Railway Surgeons, after selecting Frankfort as the place for their next annual meeting, and electing officers, concluded its two-days' meeting in Lexington. Dr. Yandell Roberts, of Louisville, was chosen president; Dr. W. O. Bullock, of Lexington, first vice-president; Dr. G. D. Murrell of Paducah, second vice-president; Dr. J. B. Kinnaird, of Lancaster, secretary; and Dr. C. H. Vaught, of Richmond, treasurer and editor of the Journal. C. H. Orchard made a lively fight for the 1913 meeting, but it was finally given to Frankfort. The exact date of the meeting next May was not named.

### "Bob" Anderson is Indicted.

The Scott county grand jury in session at Georgetown returned an indictment Saturday against Robert H. Anderson, chairman of the Scott county Democratic committee, charging him with falsely and knowingly certifying to the election returns in the Democratic primary, held July 1, 1911, at which nominations for United States Senator, Governor and other State officers was made. This is the third investigation of the case, the grand jury last November and again in February, which took up the investigation of the charges, failing to return any indictments.

In November when the matter was under investigation by the grand jury, it was found that several ballot boxes from various voting precincts in the city of Georgetown were missing, and Chairman Anderson was ordered by the court to produce them, but failing to do so he was ordered sent to jail for twenty-four hours for contempt of court. After remaining locked up for one hour, he was released, just as habeas corpus proceedings were being prepared to be taken before Circuit Judge Kerr, at Lexington.

The indictment of Chairman Anderson, who was formerly Mayor of Georgetown and formerly Representative from Scott county in the Kentucky Legislature, has caused a sensation. The accused promptly gave bond for his appearance in Circuit Court when the case comes up for trial.
